This net is sponsored by the Chilliwack Amateur Radio Club and meets every Monday night at 1900hrs local time, on a frequency of 147.100 simplex or with a "+" (Positive) offset and a tone of 110.9.

If for any reason this repeater is not available, the Net will move to our 146.960 repeater, with a "-" offset, and Tone of 110.9

The Chilliwack ARC encourages all hams, club members or not, to Participate in this net and the emergency programs that the club supports. We welcome new members to this net and also to the Club! Please visit our website at www.chwkarc.ca for more details, and also check us out on Facebook.

The purpose of this net is to ensure that Amateur Radio Operators are able to establish a communications network, covering the Chilliwack area and the upper Fraser Valley, should all other communications fail. This net also enables operators to test their equipment capabilities.

Any new station wishing to participate in the emergency net is welcome to do so. However, we ask that you please wait until the end of the roll call.

*** Are there any stations on frequency with Emergency or Priority traffic? ***
